January is National Soup Moth

Unscramble the letters below to find several popular flavors of soup. When you are unscrambling letters, you are solving anagrams. Remember - the anagram and the soup flavor may be a different number of words. For example, the anagram for the word “Almonds” might be “Man Sold.”

A Motto:

Complete the puzzle & turn it in to the Cooperative Extension Center by February 1, 2010. Completed & accurate puzzles will be entered into a drawing to win a 4-H prize!
January:
9th: “Mock” Horse Bowl Contest in Rockingham County

We ARE 4-H: THEN, NOW, & FOREVER
As we move into the third year of our 4-H Centennial Celebration, our annual theme for the 2009-2010 Project Year is “We Are 4-H: Then, Now, & Forever.”

Our State project this year will focus on exploring careers, workforce development, and entrepreneurship. You will notice added workshops related to career exploration at our district and statewide events, and I would encourage each of you to think about how you might incorporate career exploration, workforce development, and entrepreneurship into the activities you’ve already planned.

I would also encourage you to watch for upcoming information regarding our statewide service project towards ending hunger in North Carolina. If your club, your family, or other groups that you’re involved with are working to end hunger in North Carolina, please consider sharing your stories with me so that I may highlight your accomplishments in the coming months.

Teen Retreat is a great opportunity to get to know and spend time with other 4-H teens from across our district. We will attend hands-on, experiential workshops, including Ambassador workshops.

Registration for this event is due on February 9th, 2010. The cost to register is $50. Space for this event is limited - please don’t wait to register if you know you’d like to go. To register, please call the 4-H office at 919.603.1350
