Want to know what else is going on in 4-H during the summer?

**SUMMER TEEN LEADERSHIP**
(6/11 - 8/20)

The summer teen leadership program highlights the many skills and assets Granville County teens have to offer. Open to rising 10th - 12th grade students, teen leaders participate in 18 hours of training before serving in leadership roles through the summer. By the end of the summer, teens will gain skills related to employment preparedness, leadership, and personal responsibility. They will also participate in at least 40 hours of community service. Required dates are 6/15 - 6/17; 7/8-7/9; and 8/20.

**NC 4-H CITIZENSHIP FOCUS**
6/14 - 6/16

Do you strive to help people in your community? Would you like to build the skills - and have the opportunity - to speak with our elected officials about the needs, challenges, strengths and talents of youth in Granville County? The NC 4-H Citizenship Focus program can help you prepare to do just that!

**DISTRICT ACTIVITY DAY**
6/23

County Activity Day will be held in May of 2010. The deadline to register is May 7th (please visit our website). Participants who earn blue or red ribbons for their 4-H presentations at the county level are eligible to compete at the District level. Here, they will compete with other 4-H members from 16 nearby counties.

**4-H ELECTRIC CONGRESS**

North Carolina 4-H Electric Congress is an educational event designed to recognize excellence in the Electric Program throughout the state. This year’s event will be held on the campus of UNC-Wilmington from 7/12 - 7/14.

**NC 4-H STATE CONGRESS**
7/19 - 7/22

Often recognized as the culmination of the 4-H program year, NC 4-H State Congress is an opportunity to get together with 4-H youth from all across the state. State level competitions are decided, and State level officers are elected and inducted into office.

Maybe you’ve seen signs about 4-H in your school or in your community. Maybe your teacher led some 4-H activities during your class time, or perhaps your after-school teacher taught you the 4-H pledge. Or, perhaps you’re a member of one of our Granville County 4-H Clubs or serve on the Teen Court.

Regardless of any of your prior 4-H experience, summer is a great time to become a part of 4-H. Summer programs give you the opportunity to have fun with friends while you “learn by doing.” Whether you are a Cloverbud (ages 5-8), or getting ready to start your senior year of high school, I hope you will consider joining us.

“It was really fun and informative. Instructors were laid back, but bold at the same time. I learned a lot!”
— Samantha
Technology Camp 2008

Take a moment to read about the activities in the right hand column. These are programs that build upon each other. Some, such as Electric Congress, require that you have been working on a project since last year. Others, such as NC 4-H State Congress has a “pre-requisite”; in order to be eligible to attend 4-H Congress as a Granville County delegate, youth are required to participate in 4-H County Activity Day (4-H Presentations / 4-H Entertains / 4-H Fashion Revue.) If you are interested in learning more about these or other 4-H activities, please contact Granville County Cooperative Extension, 4-H.
