Complete the puzzle & turn it in to the Cooperative Extension Center by May 1, 2010. Completed & accurate puzzles will be entered into a drawing to win a 4-H prize!
North Central 4-H District Teen Retreat

The North Central 4-H District Teen Retreat was held on March 5-6th. Granville County 4-H was represented by 10 teenagers from across the county. Workshops at this event centered on career exploration and preparation.

Planned by the District 4-H officers, Friday night’s events were designed to get people talking - literally. We spent an hour “speed meeting” people from across the district, before the dance, movie, and game rooms were opened. On Saturday, “hands on” workshops gave insight on careers including journalism, pathology, law enforcement, and animal related careers.

Speak your Mind...With Granville County 4-H Presentations

The Granville County 4-H Presentation Events will be held on Monday, May 17th, 2010. 4-H Presentations can center on almost any topic. This is a competitive event that, like other 4-H activities, gives you an opportunity to share something of interest to you, and to shine.

Presenters who receive top honors in the county will have the opportunity to present at the North Central 4-H District Activity Day in Person County on June 23rd. Participation in presentations at the county level is a requirement to attend 4-H Congress.

I have every confidence in your ability to prepare and deliver a great presentation. For more information, please call me or visit our website at http://granville.ces.ncsu.edu
